NX-6510

Green Wireless Optical Mouse

Genius introduces the latest energy efficient wireless "Green Optical Mouse" - NX-6510. The “Green Optical Mouse” uses an infrared sensor which reduces voltage and allows the mouse to function at a lower power consumption level. Using only one AA battery, you can use the mouse for up to 18 months*. Just rely on the power indicator to tell you when it’s time to replace the battery.

The bi-directional 2.4GHz anti-interference technology ensures a reliable working distance of up to 10 meters. Enjoy responsive cursor control and effortless scrolling. The Pico receiver can be stored in the mouse body, and makes it easy to pack and go. The Stick-N-Go mount keeps your mouse in safe condition when you’re moving around the office.

NX-6510 comfortably fits your on-the-go lifestyle and is the perfect companion for your computer. It is available in two colors: Black and White tattoo design.
